Program Student Learning Outcomes

Student learning outcomes for the MEd in Educational Leadership are based on the National Educational Leadership Preparation (NELP) Program Standards. Students who complete the Educational Leadership degree program will be able to:

- Collaboratively lead, design, and implement a school mission, vision, and process for continuous improvement that reflects a core set of values and priorities that include data use, technology, equity, diversity, digital citizenship, and community.
- Understand and demonstrate the capacity to advocate for ethical decisions and cultivate and enact professional norms.
- Develop and maintain a supportive, equitable, culturally responsive, and inclusive school culture.
- Evaluate, develop, and implement coherent systems of curriculum, instruction, data systems, supports, and assessment.
- Engage families, community, and school personnel in order to strengthen student learning, support school improvement, and advocate for the needs of their school and community.
- Improve management, communication, technology, school-level governance, and operation systems to develop and improve data-informed and equitable school resource plans and to apply laws, policies, and regulations.
- Build the school's professional capacity, engage staff in the development of a collaborative professional culture, and improve systems of staff supervision, evaluation, support, and professional learning.
