

Other Educational Opportunities

Study Exchanges

Students are encouraged to explore educational experiences through a number of education abroad and national or international student exchange opportunities.

Students Going Abroad (<http://www.uaa.alaska.edu/ed-abroad>)

Education Abroad Coordinator

Administration & Humanities Building, Room 101Q

(907) 786-4348

uaa_oiaa@alaska.edu

The education abroad coordinator serves out-bound students, helping them identify international education opportunities that meet their goals. Early in their studies, students should seek counsel from their academic advisors as well as the education abroad coordinator to identify programs that offer the best fit academically and personally. For more information, go to the Education Abroad website (<https://www.uaa.alaska.edu/academics/office-of-academic-affairs/study-abroad/index.cshtml>).

International Exchange Students Coming to UAA (<http://www.uaa.alaska.edu/international-student-services>)

Office of Admissions

University Center

3901 Old Seward Highway

Anchorage, AK 99503

(907) 786-1480

UAA International Student Services (ISS) serves in-bound exchange students. The Office of Admissions is the liaison between the University of Alaska Anchorage, the Department of State and U.S. Immigration and Customs Enforcement agencies with the responsibility for issuing required documentation for incoming international students.

National Student Exchange (<http://www.uaa.alaska.edu/records/national-student-exchange.cfm>)

Office of the Registrar

University Center

3901 Old Seward Highway

Anchorage, AK 99503

(907) 786-1480

The National Student Exchange is a unique, not-for-profit consortium of nearly 200 accredited, baccalaureate granting colleges and universities within the United States, Canada, Guam, Virgin Islands and Puerto Rico. For more information, contact the UAA Office of the Registrar or visit the NSE website (<http://www.nse.org>).

Military Programs

UAA supports military personnel and their families throughout the UAA service area through UAA Military Programs. With two locations on Joint Base Elmendorf/Richardson (JBER), UAA offers courses for

active-duty, National Guard and Reserve personnel; their spouses and dependents; and Department of Defense civilian personnel.

Course offerings support completion of Community College of the Air Force degrees and courses leading to degrees offered by UAA. Classes are offered in a variety of classroom and e-learning formats.

UAA is a GoArmyEd school and participates in the Air Force Education Portal and the My Career Advancement Program offered to spouses. UAA accepts DSST and CLEP exams and evaluates military training for degree-seeking students.

Courses at Elmendorf are offered at:

JBER-Elmendorf

4109 Bullard Ave., Suite 107

JBER-Elmendorf, AK 99506

(907) 753-0204

Courses at Fort Richardson are offered at:

JBER-Richardson

Building 7 Chilkoot Ave.

JBER-Richardson, AK 99505

(907) 428-1228

Professional Development and Continuing Education

Professional and Continuing Education (PACE) (<https://www.uaa.alaska.edu/academics/college-of-education/professionals/pace.cshtml>)

(907) 786-1933

pace@alaska.edu

Quality professional learning enriches the knowledge and skills of educators and improves the educational experiences of all students. Therefore, the PACE Office partners with UAA academic units, schools, professional societies and other organizations to support learning opportunities such as 500-level courses and academies. The flexible structure of PACE allows for rapid response to the dynamic learning needs of educators and related services professionals around the state.

Secondary Programs

Career and Technical Education

UAA partners with school districts throughout Southcentral Alaska to articulate high school technical coursework with specific UAA technical courses that lead to a UAA certificate or degree. After matriculating into UAA as a certificate or degree-seeking student, students may apply for nontraditional transfer credit, providing the courses were articulated and approved at the time of completion. To receive this credit, students must submit the appropriate form (<https://www.uaa.alaska.edu/students/registrar/registrarforms.cshtml>) to the Office of the Registrar and pay an administrative fee.

Students with questions about articulated career and technical education courses should contact the Office of the Registrar at (907) 786-1480 or uaa.transfer@alaska.edu (uaa.registration@alaska.edu).

Dual Credit and Concurrent Enrollment

Students who are registered simultaneously in an approved course at a secondary institution and at UAA are concurrently enrolled. The course follows the UAA syllabus and is taught by a high school instructor approved by the UAA program. Students must meet all prerequisites in order to register for the course, and they must meet all UAA deadlines, including registration and withdrawal deadlines. Students are subject to all UAA standards, including the UAA Student Code of Conduct (<https://www.uaa.alaska.edu/deanofstudents/studentconduct/code.cfm>) guidelines for academic integrity. Credit received through concurrent enrollment will be considered resident credit and will be included in the student's UAA grade point average (GPA). Concurrent enrollment credit results in a permanent transcript notation, which can have implications for, among other things, admission to a post-secondary institution, transfer, scholarships, and financial aid eligibility. Students pay a concurrent enrollment fee.

Students with questions about concurrent enrollment registration should contact the Office of the Registrar at (907) 786-1480 or uaa.registration@alaska.edu.
