Business Administration (BA)

Courses

BA A100 Tourism in Rural Alaska 3 Credits
This is the Alaska that visitors come to see: the land, water, animals and people of rural Alaska. Provides information about the Alaska visitor and the visitor industry. Local history, geography, geology, small business, land status, Native culture and ecotourism will be included. Also, starting and operating a small business, advertising and marketing, hiring and training employees, and customer service. A great overview of all aspects of the visitor industry for those working in industry, thinking about starting a business, or who already have a business.

BA A111 Real Estate Management and Investment Workshop 1 Credit
Introduces students to the concepts of real estate management and investing. Explores real estate management career and academic opportunities. Provides hands-on experience with income-producing real estate assets, investment analysis, and key management principles.
Registration Restrictions: Application and instructor approval

BA A131 Personal Finance 3 Credits
Introduction to consumer finance. Surveys topics such as family budgeting, income tax fundamentals, consumer credit, home buying and financing, auto financing, insurance, investment fundamentals, estate planning, and retirement planning.

BA A151 Business Foundations 3 Credits
Introduces students to key business principles. Explores strategies allowing companies to compete in today's complex global marketplace. Discusses the primary functional areas of business, including management, marketing, finance, accounting and information systems. Provides students with opportunities to develop essential business skills such as critical thinking, problem solving, team building and business etiquette.
Attributes: UAA Social Sciences GER.

BA A155 Personal Investments 3 Credits
Introduces students to investment of personal income and how to define and reach their financial goals. Surveys topics such as stocks, bonds, mutual funds, banking, annuities, insurance, real estate, estate planning, and taxes.

BA A166 Entrepreneurship and Small Business Management 3 Credits
Introduces the concepts and practical aspects of entrepreneurial management for starting and operating a small business. Focuses on decision making, management, leadership, marketing, financial controls, and other necessary processes to ensure the successful start-up and long-term health of a business enterprise.

BA A201 Introduction to Alaska Native Business 1 Credit
Introduces students to the Alaska Native Claims Settlement Act (ANCSA) and Native business organizations. Examines career opportunities within these organizations.
Special Note: It is recommended that students complete a 100-level WRTG course with a minimum grade of C.

BA A202 Alaska Native Organizations 3 Credits
Provides an overview of the Alaska Native Claims Settlement Act (ANCSA) and amendments. Introduces Alaska Native-focused organizations, including health organizations, regional corporations, village corporations, Community Development Quota (CDQ) groups, nonprofit economic development organizations, tribes, etc. Includes insights into organizational missions, goal-setting strategies and management approaches.
Special Note: It is recommended that students complete a 100-level WRTG course with a minimum grade of C.

BA A215 Introduction to Real Estate Management 3 Credits
Introduces the management of income-producing properties, including residential, office, retail and industrial spaces. Explores real estate management careers and investor opportunities. Broadly covers practices, including real estate marketing and leasing; conducting market and neighborhood economic analyses; calculating cash flow, return on investment, and capitalization rates; and identifying legal and risk management concerns.
Registration Restrictions: UAA-approved mathematics placement test scores may be used in lieu of prerequisites.
Prerequisites: MATH A054 with a minimum grade of C or MATH A055 with a minimum grade of C or MATH A105 with a minimum grade of C or MATH A121 with a minimum grade of C or MATH A151 with a minimum grade of C or MATH A221 with a minimum grade of C or MATH A251 with a minimum grade of C.

BA A225 Real Estate Leasing 3 Credits
Identifies industry best practices for residential and commercial real estate leasing. Connects the management of leasing activities to the performance and value of real estate assets.
Special Note: Successful completion enables students to sit for a national leasing designation exam. It is recommended that students take BA A215 before or concurrently with this course.
Registration Restrictions: UAA-approved mathematics placement test scores may be used in lieu of prerequisites.
Prerequisites: MATH A054 with a minimum grade of C or MATH A055 with a minimum grade of C or MATH A105 with a minimum grade of C or MATH A121 with a minimum grade of C or MATH A151 with a minimum grade of C or MATH A221 with a minimum grade of C or MATH A251 with a minimum grade of C.

BA A231 Fundamentals of Supervision 3 Credits
Introduces students to the supervisor’s role in organizations. Emphasizes development of the insights and skills necessary to achieve organizational objectives through others by effectively using the managerial functions of planning, organizing, leading, and controlling. Offers practical experience in decision making in contemporary and relevant situations facing today’s supervisors.

BA A233 Survey of Finance 3 Credits
Surveys the discipline of finance. Topics covered are: financial markets, financial institutions, financial statements analysis, time value of money, capital budgeting, and methods of short-term and long-term financing.
Prerequisites: (ACCT A101 or ACCT A201) and MATH A105.
BA A241 Business Law I 3 Credits
Introduction to business law. Covers topics such as the American legal system, dispute resolution, constitutional and government regulation of business, torts, contract laws and theory, international law, and business ethics.

BA A242 Business Law II 3 Credits
Continuation of Business Law I. Covers topics such as sales and leases, negotiables, debtor-creditor relations, agency, business organizations, and property protection.
Prerequisites: BA A241.

BA A260 Marketing Practices 3 Credits
Examines the tools, techniques and principles of marketing and how to apply them. Identifies the significance of connecting with customers. Examines and identifies market factors which create the greatest customer satisfaction possible in the highly competitive environments of the 21st century.
Prerequisites: BA A151.

BA A264 Personal Selling 3 Credits
Designed for students with or without sales experience. Explores skills all individuals use to sell themselves, goods, services and ideas. Offers opportunities for students to practice selling skills that will help them become better communicators throughout life.

BA A266 Retailing Management 3 Credits
Introduces students to the high-tech, global growth retail industry and its vital economic role in society. Covers retailing topics for brick and mortar retailers and electronic storefronts. Includes retailing strategy, merchandise management and store management.
Prerequisites: BA A151 with a minimum grade of C.

BA A273 Introduction to Statistics for Business and Economics 3 Credits
Introduces statistics and probability with an emphasis on the analysis of business and economic data. Includes descriptive statistics for univariate and bivariate data, elementary probability and sampling distributions, confidence intervals and hypothesis tests, and simple linear regression. Familiarizes students with statistical packages for data analysis.
Special Note: Students may apply no more than 3 credits from BA A273 or STAT A200 toward graduation requirements for a baccalaureate degree.
Prerequisites: CIS A110 with a minimum grade of C and (MATH A110 with a minimum grade of C or MATH A151 with a minimum grade of C or MATH A152 with a minimum grade of C or MATH A221 with a minimum grade of C or MATH A251 with a minimum grade of C).

BA A286 Entrepreneurship and Innovation 3 Credits
Introduces students to the requirements and strategies necessary for starting and developing new ventures. Covers a broad range of topics using class discussion, assigned readings, guest speakers and case analysis. Topics will include, but not be limited to, entrepreneurial thinking, opportunity recognition and assessment, funding and other resource requirements, growth issues, valuation, and managing the business.
Prerequisites: BA A166 with a minimum grade of C.

BA A287 Introduction to International Business 3 Credits
Examines successes and failures of business and management practices across different cultures. Introduces personal and professional skills that a global manager needs to succeed in an international context.
Prerequisites: WRTG A111 with a minimum grade of C or WRTG A211 with a minimum grade of C or WRTG A212 with a minimum grade of C or WRTG A213 with a minimum grade of C or WRTG A214 with a minimum grade of C or WRTG A1W with a minimum grade of C or WRTG A2W with a minimum grade of C.

BA A290A Alaska Native Business Practices 1-3 Credits
Introductory examination of topics and issues in Alaska Native business practices. Prominent leaders from the Native community are brought into direct classroom contact with students to discuss important business issues in rural Alaska and the larger Native community.
Special Note: Subtitle varies. May be repeated for credit with a different subtitle.

BA A295 Internship in Business Administration 3 Credits
Integrates classroom study with planned and supervised work experience in the public and private sectors. Students acquire essential practical skills by being exposed to an occupational work environment beyond the boundaries of the campus, enhancing self-confidence and career direction.
Special Note: May be repeated more than once for credit, but only 3 credits will apply to degree requirements.
Registration Restrictions: Permission of faculty internship coordinator; 2.75 GPA.

BA A300 Organizational Theory and Behavior 3 Credits
Centered on developing a working knowledge of the key theories that deal with human behavior in work settings. Content includes: individual differences, personality, attitudes, perception, attribution, and biases. Also includes the major theories of motivation and leadership, dynamics of group interaction, teams, social processes, diversity, organizational culture, and ethics.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.

BA A302 Real Estate Maintenance and Risk Management 3 Credits
Illustrates the real estate manager's role overseeing the maintenance requirements and physical risks associated with real estate investments.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A215 with a minimum grade of C and BA A225 with a minimum grade of C.

BA A303 Real Estate Investment Finance 3 Credits
Examines the basics of finance as it applies to real estate investment and asset management. Topics include operating budgets, cash flow pro formas, performance measures and property valuations. Provides students with the tools to calculate revenue and expense management figures such as return on investment (ROI), net operating income (NOI), cash flow and internal rate of return (IRR).
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A215 with a minimum grade of C or BA A325 with a minimum grade of C.
BA A306 Real Estate Principles 3 Credits
Surveys licensee relationships; forms of ownership; property laws, rights, and limitations; forms of conveyances; contracts; financing instruments; Alaska real estate license law and Alaska landlord tenant law; and federal fair housing and RESPA laws.

Special Note: May fulfill pre-license education requirements for the Alaska Real Estate Salesperson License exam. Contact instructor for details.

Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.

Prerequisites: BA A241 with a minimum grade of C and ECON A201 with a minimum grade of C and (MATH A121 with a minimum grade of C or MATH A151 with a minimum grade of C or MATH A152 with a minimum grade of C or MATH A155 with a minimum grade of C or MATH A221 with a minimum grade of C or MATH A251 with a minimum grade of C).

BA A315 Property Management and Marketing 3 Credits
Surveys residential, retail, office and industrial property management; management contracts and lease agreements; landlord-tenant laws and federal fair housing laws; asset operating budgets and cash flow statements; and property leasing and marketing.

Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.

Prerequisites: BA A241 with a minimum grade of C and ECON A201 with a minimum grade of C and (MATH A121 with a minimum grade of C or MATH A151 with a minimum grade of C or MATH A152 with a minimum grade of C or MATH A155 with a minimum grade of C or MATH A221 with a minimum grade of C or MATH A251 with a minimum grade of C).

BA A320 Real Estate Finance 3 Credits
Surveys all aspects of real estate finance. Topics covered are interest rates, mortgages, federal housing policies, secondary mortgage markets, leverage and property valuation, taxation, and real estate in a portfolio context.

Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.

Prerequisites: BA A241 with a minimum grade of C and ECON A201 with a minimum grade of C and (MATH A121 with a minimum grade of C or MATH A151 with a minimum grade of C or MATH A152 with a minimum grade of C or MATH A155 with a minimum grade of C or MATH A221 with a minimum grade of C or MATH A251 with a minimum grade of C).

BA A325 Corporate Finance 3 Credits
Surveys the practice of corporate finance. Covers the time value of money, financial statements analysis, valuation of securities, risk and return, cost of capital, and capital budgeting.

Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.

Prerequisites: BA A273 with a minimum grade of C.

BA A343 Principles of Marketing 3 Credits
Examines the present role and evolving scope of marketing in organizations and the global economy. Provides a comprehensive delineation of the key marketing terms, concepts, and decision paradigms; offers an overview of the requisite steps, strategic considerations, and essential elements involved in planning, implementing, and evaluating marketing activities and campaigns.

Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.

Prerequisites: (COMM A111 with a minimum grade of C or COMM A235 with a minimum grade of C or COMM A237 with a minimum grade of C or COMM A241 with a minimum grade of C or COMM A1W with a minimum grade of C or COMM A2W with a minimum grade of C) and (WRTG A211 with a minimum grade of C or WRTG A212 with a minimum grade of C or WRTG A213 with a minimum grade of C or WRTG A214 with a minimum grade of C or WRTG A2W with a minimum grade of C).

BA A347 International Marketing 3 Credits
Emphasizes concepts of marketing strategy used to achieve competitive advantage in the global marketplace. Focuses on global consumer insights, market planning, organizing, coordinating and on the controlling functions of international marketing management.

Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.

Prerequisites: BA A343 with a minimum grade of C.

BA A361 Human Resource Management 3 Credits
Provides students with an overview of human resource management in today's globally competitive and continually changing environment. Students gain an increased understanding of the importance of good human resource management in the current marketplace and learn to view human resource issues from both the strategic and tactical perspectives.

Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.

Prerequisites: BA A343 with a minimum grade of C.

BA A375 Statistics for Business and Economics 3 Credits
Covers intermediate statistics and probability with emphasis on the analysis of business and economic data. Includes multivariate probability models; classic inferences for means, standard deviations, and proportions in one and two populations; analysis of variance; contingency tables; multiple regression and nonparametric statistics. Statistical computer packages are used extensively.

Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.

Prerequisites: BA A273 with a minimum grade of C and (MATH A221 with a minimum grade of C or MATH A251 with a minimum grade of C).
BA A377 Operations Management 3 Credits
Introduces management of the operations/production system with an emphasis on quantitative analysis. Characteristics of systems, types of production and service systems, forecasting, planning and scheduling work, facility design and location, and selected topics in operations research will be covered.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A273 with a minimum grade of C and (MATH A221 with a minimum grade of C or MATH A251 with a minimum grade of C).

BA A380 Investment Management 3 Credits
Introductory course in investment management covering valuations and techniques of investment in financial securities. Evaluates investment choices including common stock, preferred stock, bonds, convertibles, mutual funds, closed end funds, hedge funds and private equity.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A325 with a minimum grade of C.

BA A381 Consumer Behavior and Relationship Management 3 Credits
Examines why consumers behave the way they do through exploring perceptions about consumption behaviors; theories developed in marketing, psychology and sociology; and applying these theories to predict how consumers will respond to marketing actions.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A343 with a minimum grade of C.

BA A383 Market Research: Methods, Metrics and Strategies 3 Credits
Examines the marketing research function and its role in the managerial decision-making process. Includes an overview of marketing research methods, metrics and strategies. Includes conducting primary and secondary data collection, analysis of statistical data, and preparing a written and oral research report.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A343 with a minimum grade of C and (BA A375 with a minimum grade of C or ECON A312 with a minimum grade of C).

BA A385 Intermediate Financial Management 3 Credits
Intermediate course in corporate finance utilizing advanced analytical techniques and concepts. Includes multifactor asset pricing models, free cash flow and corporate valuation, capital budgeting risk analysis and real options, capital structure theory, mergers, and corporate bankruptcies.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A325 with a minimum grade of C.

BA A386 The Startup Venture 3 Credits
Introduces concepts, theories and methods of commercializing a validated new business model for a new venture. Includes the venture capital funding process, the players involved in this process, strategies for raising capital, capitalization tables, negotiating tactics, and term sheets.
Prerequisites: BA A286 with a minimum grade of C.

BA A387 International Business Management 3 Credits
Examines business and management practices in the context of international business operations and diverse cultures. Presents a broad range of professional skills to enable international managers to succeed in a global context.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A300 with a minimum grade of C.

BA A388 Globalization and Business Environment 3 Credits
Examines the external context in which businesses operate. Includes an assessment of the ethical, legal, political and social issues that organizations face in a global environment.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
BA A390 Selected Topics in Real Estate 1-3 Credits
Explores current issues related to the real estate industry. Topics may include, but are not limited to, real estate management, real estate investment finance, real estate law, real estate brokerage, and real estate appraisal.
Special Note: May be repeated for a maximum of 12 credits with change of subtitle.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A215 with a minimum grade of C.

BA A395 Property Management and Real Estate Internship 1-6 Credits
Integrates classroom knowledge with supervised work experience in property management and/or a related real estate environment.
Special Note: May be repeated, but only BBA Management majors with a concentration in property management and real estate may apply 6 credits to meeting degree requirements.
Registration Restrictions: Must be admitted to the BBA program; must be admitted to upper-division standing. Permission of the College of Business and Public Policy faculty internship coordinator; cumulative GPA of 2.75 or higher; 3.00 GPA in major.
Prerequisites: BA A215 with a minimum grade of C and BA A225 with a minimum grade of C.

BA A401 Alaska Native Corporation Business Management 3 Credits
Covers the history, development and management of Alaska Native corporations and their economic and social impact on Alaska. Compares Native and non-Native corporate structures and governance; strategies, goals and core competencies; management practices and performance; and future challenges.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: WRTG A111 with a minimum grade of C or WRTG A1W with a minimum grade of C or WRTG A211 with a minimum grade of C or WRTG A212 with a minimum grade of C or WRTG A213 with a minimum grade of C or WRTG A214 with a minimum grade of C or WRTG A2W with a minimum grade of C.
BA A402 Indigenous Leadership 3 Credits
Explores leadership styles in Alaska Native organizations. Compares and contrasts indigenous and non-Native leadership characteristics.
**Registration Restrictions:** College of Business and Public Policy majors must be admitted to upper-division standing.
**Prerequisites:** WRTG A111 with a minimum grade of C or WRTG A1W with a minimum grade of C or WRTG A211 with a minimum grade of C or WRTG A212 with a minimum grade of C or WRTG A213 with a minimum grade of C or WRTG A214 with a minimum grade of C or WRTG A2W with a minimum grade of C.

BA A403 Inside the Boardroom of Alaska Native Organizations 1 Credit
Examines best practices and the roles and responsibilities of a board of directors. Explores the differences between various types of boards: tribal, Alaska Native corporation, for-profit and nonprofit.
**Registration Restrictions:** College of Business and Public Policy majors must be admitted to upper-division standing.
**Prerequisites:** WRTG A111 with a minimum grade of C or WRTG A1W with a minimum grade of C or WRTG A211 with a minimum grade of C or WRTG A212 with a minimum grade of C or WRTG A213 with a minimum grade of C or WRTG A214 with a minimum grade of C or WRTG A2W with a minimum grade of C.

BA A421 Real Estate Management Capstone 3 Credits
Evaluates an income-producing real estate asset, including a property description, regional and neighborhood analysis, market analysis, financial analysis, and final conclusions and recommendations.
**Special Note:** Successful completion prepares students to sit for the following exams: National Apartment Association's Certified Apartment Manager (CAM), Institute of Real Estate Management's Accredited Residential Manager (ARM), Accredited Commercial Manager (ACom), and Certified Property Manager (CPM).
**Registration Restrictions:** College of Business and Public Policy majors must be admitted to upper-division standing.
**Prerequisites:** BA A215 with a minimum grade of C and BA A225 with a minimum grade of C and BA A302 with a minimum grade of C and BA A303 with a minimum grade of C.

BA A426 Financial Institutions 3 Credits
Study of the functions, structures, delivery systems, efficiencies, risk managements, and performances of financial institutions including banks, savings and loan associations, credit unions, investment companies, pension funds, mutual funds, and endowments.
**Registration Restrictions:** College of Business and Public Policy majors must be admitted to upper-division standing.
**Prerequisites:** BA A325 with a minimum grade of C.

BA A427 International Finance 3 Credits
Covers foreign exchange determination and forecasting; foreign exchange, translation and transaction risks: hedging and speculation; international portfolio diversification and direct foreign investment; international acquisitions; and international taxation.
**Registration Restrictions:** College of Business and Public Policy majors must be admitted to upper-division standing.
**Prerequisites:** BA A325 with a minimum grade of C.

BA A431 Real Estate Appraisal 3 Credits
Surveys all aspects of the real estate appraisal. Topics cover appraisal process, real estate economics, property inspection, sales comparison approach, cost approach, income approach, reporting appraisal opinion and the professional appraiser.
**Registration Restrictions:** College of Business and Public Policy majors must be admitted to upper-division standing.
**Prerequisites:** ECON A201 with a minimum grade of C and (MATH A121 with a minimum grade of C or MATH A151 with a minimum grade of C or MATH A152 with a minimum grade of C or MATH A155 with a minimum grade of C or MATH A221 with a minimum grade of C or MATH A251 with a minimum grade of C).

BA A432 Real Estate Law 3 Credits
Surveys all aspects of the real estate law. Topics covered are legal system; scope of real property; types of ownership; real estate contracts; title and insurance; financing, closing and taxation; landlord and tenants; and environmental law and regulation.
**Registration Restrictions:** College of Business and Public Policy majors must be admitted to upper-division standing.
**Prerequisites:** BA A241 with a minimum grade of C.

BA A451 Advanced Investment Strategies 3 Credits
Advanced course in investment management covering problems and process of evaluating a particular stock. Discusses portfolio construction and management. Analyzes performance evaluation using fundamental, technical, and behavioral models and applies it to the portfolio project.
**Registration Restrictions:** College of Business and Public Policy majors must be admitted to upper-division standing.
**Prerequisites:** BA A380 with a minimum grade of C.

BA A452 Financial Derivatives 3 Credits
**Registration Restrictions:** College of Business and Public Policy majors must be admitted to upper-division standing.
**Prerequisites:** BA A325 with a minimum grade of C.

BA A453 Bond Market Analysis 3 Credits
Advanced course in investment management covering fixed-income securities. Covers bond fundamentals, types of debt instruments, term structure of interest rates, interest rate risks and their management, bond portfolio management, indexing, and performance evaluation.
**Registration Restrictions:** College of Business and Public Policy majors must be admitted to upper-division standing.
**Prerequisites:** BA A325 with a minimum grade of C.

BA A460 Marketing Management 3 Credits
Simulates the development and management of a business as a member of a senior management team. Illustrates marketing management’s role in formulating and executing strategy as well as marketing’s interdependency with the other functional domains of business. Students will execute and test a business plan within a computer-simulated market, competing against other teams in class and around the world.
**Registration Restrictions:** College of Business and Public Policy majors must be admitted to upper-division standing.
**Prerequisites:** BA A343 with a minimum grade of C.
BA A461 Negotiation and Conflict Management 3 Credits
Provides students with a forum to develop and practice negotiation skills and offers opportunities to make positive changes in negotiation behavior and habits.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.

BA A462 Strategic Management 3 Credits
Evaluation of the external and internal market environments to formulate a strategic plan that achieves above-average returns. Analysis of theory, current events, company and industry analysis, and case studies to prepare students to understand, evaluate, and carry out strategic decisions in the global marketplace.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A273 with a minimum grade of C and BA A300 with a minimum grade of C and BA A325 with a minimum grade of C and BA A343 with a minimum grade of C.

BA A463 Branding and Content Marketing Strategies 3 Credits
Examines the content marketing strategies used to create, publish and distribute content for a target audience to attract new customers, including social media, blogs, visual content, and content assets such as tools, e-books and webinars.
Special Note: Not available for credit to students who have completed BA A682.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
May Be Stacked With: BA A682
Prerequisites: BA A343 with a minimum grade of C.

BA A470 Becoming a Leader 3 Credits
Provides an introduction to effective leadership. Topics such as the nature of leadership, recognizing leadership traits, developing leadership skills, overcoming obstacles, and addressing values in leadership will be examined. Attention will be given to helping students understand and improve their own leadership performance.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A300 with a minimum grade of C.

BA A480 Marketing Media Analytics 3 Credits
Introduces students to the field of marketing media analytics. Examines marketing media analytics to understand how a business tracks the data specific to their use of social media, how and when to share information, what types of content drives the consumer, and the impact of marketing on the business.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
May Be Stacked With: BA A680
Prerequisites: BA A343 with a minimum grade of C.

BA A481 Applications in Management 3 Credits
Covers an in-depth, hands-on examination of management topics and issues introduced in BA A300. Students are encouraged to develop their own management skills through case analysis, role playing, in-class exercises, and projects that require interaction with practicing managers.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A300 with a minimum grade of C.

BA A483 Marketing Campaign Practicum and Portfolio 3 Credits
Allows students to put into practice competencies learned by executing an entrepreneurial or client-based project selected, developed, implemented and assessed across and throughout all their subsequent course work, resulting in a professional portfolio and presentation.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A381 with a minimum grade of C and BA A383 with a minimum grade of C and BA A463 with a minimum grade of C and BA A480 with a minimum grade of C.

BA A485 International Business Applications 3 Credits
Examines in-depth, hands-on international business issues. Requires students to develop international business skills through field experiences and interactions with faculty and practicing managers.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A347 with a minimum grade of C or BA A387 with a minimum grade of C or BA A388 with a minimum grade of C or BA A427 with a minimum grade of C or LOG A416 with a minimum grade of C.

BA A486 Field Studies in International Business 3 Credits
Explores international business concepts and processes in the field. Develops international business knowledge and skills in a field trip. Topics range from regional markets to specific topical studies.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: BA A287 with a minimum grade of C.

BA A489 From Startup to Growth 3 Credits
Conceptualizing and planning a new business; entrepreneurship and innovation for new and established organizations; stages in business growth and implications for management. Students are required to work with a new or existing business and provide the needed studies and plans required to establish or expand an existing business.
Registration Restrictions: College of Business and Public Policy BBA majors must be admitted to upper-division standing.
Prerequisites: BA A386 with a minimum grade of C or BA A462 with a minimum grade of C.

BA A490A Current Topics in Business 1-6 Credits
Explores current issues, techniques, and trends affecting business.
Special Note: May be repeated for credit with a change of subtitle up to a maximum of 6 credits.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
May Be Stacked With: BA A690

BA A490B Selected Topics in Alaska Native Corporations 1-3 Credits
Explores advanced topics in Alaska Native corporations with prominent leaders from the Alaska Native corporations and business communities.
Special Note: May be repeated for credit with change of subtitle.
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.
Prerequisites: WRTG A111 with a minimum grade of C or WRTG A1W with a minimum grade of C or WRTG A211 with a minimum grade of C or WRTG A212 with a minimum grade of C or WRTG A213 with a minimum grade of C or WRTG A214 with a minimum grade of C or WRTG A2W with a minimum grade of C.
BA A490C Selected Topics in International Business 1-3 Credits
Examines current topics and issues in international business. Brings prominent leaders from business schools in overseas, federal government agencies, and business executives into direct classroom contact with students to discuss important international business topics.  
Special Note: May be repeated for a maximum of 3 credits with change of subtitle.  
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing.  
Prerequisites: BA A287 with a minimum grade of C.

BA A495 Advanced Internship in Business Administration 3 Credits
Integrates classroom study with planned and supervised work experience in the public and private sectors. Students acquire essential practical skills by being exposed to occupational work environment beyond the boundaries of the campus, enhancing self-confidence and career direction. Students are expected to perform duties commensurate with entry-level management positions.  
Special Note: May be repeated more than once for credit, but only 3 credits will apply to meeting business majors' degree requirements.  
Registration Restrictions: College of Business and Public Policy majors must be admitted to upper-division standing; permission of the BA faculty internship coordinator; 2.75 GPA overall; 3.00 GPA in major.

BA A495A International Business Internship 3 Credits
Integrates classroom study with planned and supervised work experience in international business firms or organizations. Students acquire essential practical skills by being exposed to the international business work environment beyond the boundaries of the campus, enhancing self-confidence and career direction. Students are expected to perform duties in international business settings.
