Human Services (HUMS)

Courses

HUMS A105 Practice of Substance Use Disorder Treatment 3 Credits
Introduces students to client-centered counseling. American Society of Addiction Medicine (ASAM) and Diagnostic and Statistical Manual (DSM) definitions, diagnostic criteria, and treatment guidelines within the crisis, acute, short-term, and long-term treatment. Provides students with case management models. Addresses ethics of treatment, including documentation guidelines and models, confidentiality, dual relationships, and conflict of interest. Examines motivational interviewing and integrated care.

HUMS A107 History of Systems of Change 3 Credits
Introduces historical foundations of the human service profession through the lens of formative legislation and the evolution of the profession.

HUMS A122 Substance Use Disorder in Alaska 3 Credits
Covers social and community factors influencing substance use as a social problem. Focuses on the epidemiology of substance use, substance use disorder, addiction, and co-occurring disorders. Addresses the social, psychological, behavioral and biophysiological aspects of substance use. Addresses infectious diseases that may co-occur with substance abuse.

HUMS A125 Prevention of High Risk Behaviors in Adolescents 3 Credits
Provides an overview of brain development and its impact on behavior. Presents types of issues in adolescence and prevention approaches to high-risk behavior.

HUMS A155 Field Work and Human Service Practice 3 Credits
Presents skills appropriate for human service professionals in practicum placements and in future careers. Includes skills related to task groups, leadership, problem-solving, workplace norms, technological literacy, digital communications, and working with diverse client populations. Presents the use of e-portfolios in the documentation of learning.

HUMS A156 Professional ePortfolio for Human Services 1 Credit
Provides students an opportunity to explore documenting their achievements in a professional electronic portfolio and practice relevant technological literacy skills for the workplace. Includes the completion of self-assessments of students' skills and scope of work in human service organizations.

HUMS A181 Peer Support and Recovery Practices In Behavioral Health 3 Credits
Prepares students with the academic knowledge to serve as peer support specialists in Alaska. Introduces peer support and recovery practices in behavioral health. Provides opportunities to learn about evidence-based wellness education and recovery action plans. Fulfills the 40-hour training required by the Alaska Commission of Behavioral Health for the Peer Support Professional.

HUMS A190 Selected Topics in Human Service Practice 1-3 Credits
Examines special interest topics in the field of human services.

HUMS A200 Introduction to Children's Behavioral Health 3 Credits
Covers ethics and ethical practices, self-care, confidentiality, mandatory reporting, overview of child and adolescent development, building and maintaining therapeutic relationships, boundaries, culturally responsive interventions, resiliency, communication, and additional behavioral health topics impacting treatment outcomes for children and adolescents.

Crosslisted With: DLS A200

HUMS A205 Teaching Social Skills to Youth in Children's Behavioral Health 3 Credits
Promotes an understanding and application of learning theory to communication strategies, teaching methods and crisis prevention interventions.

Crosslisted With: DLS A205

HUMS A206 Positive Behavioral Supports in Children's Behavioral Health 3 Credits
Extends knowledge of learning theory to functional behavior assessments of problem behaviors and appropriate interventions in children (age 0-18). Examines how to develop behavior support plans using non-aversive interventions for challenging and problematic behaviors with children.

Crosslisted With: DLS A206

HUMS A207 Trauma Informed Work with Children 3 Credits
Covers differentiation between types of trauma that children can experience and how trauma may affect their treatment outcomes. Examines safe and supportive trauma-informed interventions, as well as strategies to reduce the effects of caregiver fatigue.

HUMS A212 Cases in Substance Use Disorder Treatment and Practice 3 Credits
Serves as an integrative experience using the case method. Allows students to work individually and/or in small teams to address practice issues. Includes topics that include assessment of substance use disorder and co-occurring disorders, development of treatment plans, application of best practices such as motivational interviewing, case management process, crisis intervention methods, and team-based collaboration.

HUMS A224 Systems of Conflict and Collaboration 3 Credits
Presents interpersonal conflict and collaboration through the social construction and general systems theoretical frameworks. Presents models to help manage and/or resolve conflict.

HUMS A225 Counseling in Human Service Practice 3 Credits
Presents counseling approaches and skills within ethical and theoretical frameworks. Provides students with knowledge and practical application skills for helping relationships, including skills for understanding, positive action, crisis intervention, and trauma-informed care.

HUMS A253 Human Services and Disabilities 3 Credits
Explores human services in the diverse field of disabilities. Examines history, service systems, advocacy, and disability culture.
HUMS A254 Finding My Way Home: Place Identity & Historical Trauma 3 Credits
Introduces historical trauma and its impact on marginalized populations. Explores the concept of place identity and focuses on the importance of recognizing signs of historical trauma in children. Utilizes case studies, story telling and talking circles to identify culturally appropriate prevention and treatment interventions.

HUMS A255 Group Work in Human Service Practice 3 Credits
Presents practical knowledge of planning, facilitating, and sustaining task-centered, support, and psychoeducational groups within human service practice in the formation of supportive communities. Includes a typology of groups and their facilitation, ethical considerations, group leadership, management and evaluation skills, and discussion of basic issues in group membership and facilitation.

HUMS A285 Professional Communication in Human Service Practice 3 Credits
Develops and enhances students' professional writing skills for successful workplace communications in the field of human services. Prepares students for writing that reflects the values and principles endorsed in human services practice; enhances students' ability in critical thinking and analysis.

HUMS A288 Case Management in Human Service Practice 3 Credits
Focuses upon theory and application associated with service delivery, client assessment, case planning, implementation, evaluation and ethical decision making.
Registration Restrictions: Admission to the Associate of Applied Science in Human Services, the Bachelor of Human Services or department approval

HUMS A290 Selected Topics in Human Service Practice 3 Credits
Addresses a selected topic or current issue in human services. Includes topics of national and international interest.
Special Note: May be repeated twice with change of subtitle. Department approval may be substituted for the required prerequisite course(s).

HUMS A295A Human Services Practicum I 3 Credits
Involves placement in a community agency with an emphasis on observation of agency structure and functioning, development of professional and inter-agency relationships, and application of beginning helping skills with agency clients. Includes having students construct e-portfolios to document their growth and development in practicum.
Special Note: Includes a mandatory weekly in-class seminar and 125 hours completed in the field placement agency.
Registration Restrictions: Admission to the Associate of Applied Science in Human Services or the Bachelor of Human Services.
Prerequisites: HUMS A155 with a minimum grade of C and HUMS A225 with a minimum grade of C and WRTG A111 with a minimum grade of C or concurrent enrollment or WRTG A1W with a minimum grade of C).

HUMS A295B Human Services Practicum II 3 Credits
Provides students with advancing levels of responsibility in direct client services in the community and/or specialized activities/projects while increasing their professional development. Refines e-portfolio for further documentation of learning in practicum.
Special Note: Requires students to complete 125 hours of field placement in an agency setting and weekly classroom seminar.
Registration Restrictions: Admission to the Associate of Applied Science in Human Services or Bachelor of Human Services.
Prerequisites: HUMS A295A with a minimum grade of C.

HUMS A301 Substance Abuse Prevention 3 Credits
Presents knowledge and skills as tools in the development of community education and prevention programs in substance abuse.

HUMS A302 Substance Use Treatment Across the Life Course 3 Credits
Offers a family-centric approach to substance use treatment and recovery focusing on four phases of the life course (childhood and adolescence, young adulthood, adulthood, and older adult). Addresses recovery ethics.

HUMS A321 Diversity Issues in Human Services Practice 3 Credits
Examines diversity from historical and current perspectives with an emphasis upon self-awareness. Incorporates the needs of diverse groups into human services best practices through readings, role-play and group activity.

HUMS A325 Case Management in Complex Systems 3 Credits
Introduces policy and process issues involved in providing case management services in highly structured systems. Identifies strengths in collaborating across and among systems and barriers to implementing culturally appropriate case management services to families.

HUMS A333 Alternative Dispute Resolution 3 Credits
Provides a conceptual framework in alternative dispute resolution with emphasis on history, communication skills and ethics. Uses simulation exercises, including negotiation strategy and tactics, mediation process and techniques, and development of arbitration case theory presentation.
Registration Restrictions: Department approval

HUMS A334 Family Mediation 3 Credits
Examines the role of mediation in resolving conflict in domestic relations, family business situations and crisis situations within the community. Incorporates systems theory, mediation theories, principles and skills of mediation, different approaches to family mediation and current research.
Registration Restrictions: Department approval

HUMS A355 Approaches for Working with Individual Clients 3 Credits
Presents techniques for working with individual clients. Covers specific theoretical concepts and techniques appropriate to a broad range of human services delivery systems. Presents approaches in a cultural context for individual clients, particularly ones in which members experience oppression and marginalization.
Registration Restrictions: Admission to the Bachelor of Human Services or department approval
HUMS A356 The Dynamics of Human Service Organizations 3 Credits
Introduces the dynamics of human service organizations and the evolution of the human services field. Examines organizational behavior and its impact on clients, staff, and the community.
Prerequisites: HUMS A225 with a minimum grade of C.

HUMS A390 Selected Topics in Human Service Practice 3 Credits
Examines special interest topics in the field of human services.
Special Note: May be repeated for a maximum of 9 credits with a change of subtitle.

HUMS A411 Diversity and Substance Use Recovery 3 Credits
Offers a positive strengths-based perspective on working with diversity as a factor in substance use recovery. Adopts a community and culturally-centric approach to recovery. Builds on recovery ethics, and introduces ethics pertaining to respect and dignity.
Prerequisites: HUMS A302 with a minimum grade of C.

HUMS A412 Ethical Issues in Human Services Practice 3 Credits
Examines ethical issues in human services practice defined in the National Organization of Human Services (NOHS) Ethical Code. Focuses on client rights, confidentiality and worker responsibility.
Registration Restrictions: Admission to the Bachelor of Human Services

HUMS A414 Advanced Case Management for Human Services Professionals 3 Credits
Examines the influence of personal worldviews on treatment, client assessment, treatment planning and evaluation. Focuses on theories and conceptualization as they relate to clients in the context of their environment. Identifies skills necessary for providing case management in specialty areas.
Registration Restrictions: Admission to the Bachelor of Human Services
Prerequisites: HUMS A288 with a minimum grade of C.

HUMS A416 Substance Misuse Disorders and the Older Adult 3 Credits
Addresses the issues related to older adults misusing alcohol, drugs, prescription medications and other substances. Emphasizes identification, assessment and intervention strategies. Highlights mental health issues related to an older population.

HUMS A417 Advanced Recovery Practice in Substance Use Treatment 3 Credits
Addresses models of counseling and intervention that incorporate diversity and strengths-based approaches for advancing recovery, particularly those useful in challenging situations. Deepens students' understanding of tools to address those challenging situations, including relapse, infectious disease, developmental and cognitive factors, and socio-legal issues.

HUMS A442 Privilege & Oppression: Equity and Equality in America 3 Credits
Presents historical information on laws, policies, and regulations that have impacted racism and anti-racism efforts. Provides a framework for recognizing racism in the context of today's society.
Prerequisites: HUMS A321 with a minimum grade of C.

HUMS A455 Trauma and Crisis Intervention 3 Credits
Presents intervention techniques focused on a systematic approach to effective crisis management. Examines the causality, identification, intervention, treatment strategies, and follow-up with victims of trauma.
Registration Restrictions: Admission to the Bachelor of Human Services or Minor in Human Services

HUMS A464 Leadership and Diversity in Contemporary Society 3 Credits
Explores leadership development, styles and challenges in a global society through the frameworks of transformative and other structural change models. Examines profit and non-profit management as well as agents of change that improve or hinder human services delivery.

HUMS A490 Selected Topics in Human Services Practice 3 Credits
Presents a systems approach to community and family human service delivery. Examines contemporary and changing service delivery values, perspectives and intervention techniques, in the correctional, child protection, mental health, health, housing, and other complex systems.
Special Note: May be repeated three times with a change of subtitle and content.
Registration Restrictions: Department approval.

HUMS A491 Program Development & Evaluation in Human Service Organizations 3 Credits
Provides knowledge and skill development in: the systematic analysis of service needs; planning appropriate strategies, services, and implementation; and the evaluation of outcomes. Involves the assessment of client needs and the planning of programs and interventions that will assist clients in promoting growth and goal attainment.
Registration Restrictions: Admission to the Bachelor of Human Services and junior or senior standing.

HUMS A495 Human Services Practicum III 3 Credits
Provides students with advancing levels of responsibility in direct client services and/or specialized activities/projects. Increases students' professional development through the use of electronic portfolios. Affords students an opportunity to develop the proposal for their Capstone project.
Special Note: Requires students to complete 125 hours in a field placement agency.
Registration Restrictions: Admission to the Bachelor of Human Services and senior standing
Prerequisites: HUMS A295B with a minimum grade of C and HUMS A491 with a minimum grade of C.
HUMS A496 Human Services Integrative Capstone 3 Credits
Prepares students to conduct applied research to complete a Human Services Integrative Capstone project. Includes 50 hours in the same field placement agency as HUMS A495, where students will collect data necessary for their Capstone research project. Requires students to complete a literature review, collect and analyze the data and present the results, in a presentation, using e-portfoliol. Provides an opportunity for students to develop their grant writing skills.

Registration Restrictions: Senior standing and admission to the Bachelor of Human Services, and completion of all GER Tier 1 (basic college-level skills) courses.

Prerequisites: HUMS A491 with a minimum grade of C and HUMS A495 with a minimum grade of C.

Attributes: UAA Integrative Capstone GER.
