The College of Business and Public Policy (CBPP) offers three graduate degrees:

- Master of Business Administration, General Management
  (http://catalog.uaa.alaska.edu/graduateprograms/cbpp/businessadministration/mba-generalmanagement)
- Master of Science, Global Supply Chain Management
  (http://catalog.uaa.alaska.edu/graduateprograms/cbpp/dataanalyticsdecisionsciences/ms-globalsupplychainmanagement)
- Master of Public Administration
  (http://catalog.uaa.alaska.edu/graduateprograms/cbpp/publicpolicyandadministration/mpa)

These degree programs prepare students to function as effective leaders and managers in for-profit and not-for-profit organizations. Because of the related nature of the three CBPP degrees, students interested in pursuing two degrees simultaneously or in pursuing a second graduate degree may be able to complete the second degree with a significantly reduced number of credit hours (see Additional Master’s Degrees in Graduate Degree Policies (http://catalog.uaa.alaska.edu/graduateprograms/degreerequirements/policies)).
