Program Student Learning Outcomes

Student learning outcomes for the MEd in Educational Leadership are based on the Educational Leadership Constituent Council (ELCC) Standards for School Leaders. Students who complete the Educational Leadership degree program will be able to:

• Facilitate the development, implementation, and monitoring of a shared vision of learning, involving all stakeholders.
• Shape, nurture and sustain a school culture and instructional program based on student learning and professional growth.
• Ensure effective management of operations and resources for a safe, efficient and effective learning environment.
• Collaborate with family and community members to mobilize community resources to respond to diverse community interests and needs.
• Act with integrity and fairness in an ethical manner.
• Understand, respond to, and influence the larger political, social, economic, legal and cultural context.
