Master of Education in Special Education

The Master of Education (M.Ed.) in Special Education has two options:

- Special education concentration
- Special education administration concentration — admission suspended

The M.Ed. in Special Education with a special education concentration is designed for individuals who desire advanced professional preparation in special education. The program encompasses theory, research and practice relating to individuals who experience disabilities.

The M.Ed. in Special Education provides candidates with the knowledge and application of assessment and intervention strategies that support the learning of children with exceptional learning for grades K-8 (Elementary) or 7-12 (Secondary), and aims to prepare scholarly practitioners grounded in purpose and research.

Admission Requirements
