

Doctor of Nursing Practice in Nursing Science

Program Student Learning Outcomes

Students graduating with a Doctor of Nursing Practice in Nursing Science will be able to:

- Demonstrate enhanced professional skills in advanced practice nursing using an ethical, evidence-based approach to promote healthy communities
- Apply clinical inquiry using a culturally sensitive, evidence-based approach to adapt practice and change health outcomes
- Act in expanded leadership roles to influence local, statewide and national health care policy and delivery systems serving unique, diverse and underserved populations
