Bachelor of Arts in Interdisciplinary Studies

The Bachelor of Arts in Interdisciplinary Studies enables students to earn a degree achieving outcomes from more than one subject. A customized specialized program of study or approved multidisciplinary advising tracks are available. UAA's courses can be combined in a way to address personal goals such as specific career options.

Admission Requirements

- Complete the Admission Requirements for Baccalaureate Degrees (https://catalog.uaa.alaska.edu/academicpoliciesprocesses/admissions/undergraduate/).

Special Considerations

- Students interested in this major should consult an academic or faculty advisor.
- The degree may not duplicate an existing UAA baccalaureate degree.

Graduation Requirements

- Complete the General University Requirements for Baccalaureate Degrees (https://catalog.uaa.alaska.edu/undergraduateprograms/baccalaureaterequirements/).
- Complete the General Education Requirements for Baccalaureate Degrees (https://catalog.uaa.alaska.edu/undergraduateprograms/baccalaureaterequirements/gers/).
- Complete the major requirements as outlined in an Interdisciplinary Studies Plan. Students will work with an academic or faculty advisor to put together the plan.

A minimum of 120 credits is required for the degree.
