

# Bachelor of Business Administration in Accounting

The Bachelor of Business Administration (BBA) in Accounting gives students a broad-based business background and provides a solid foundation for careers in public accounting, private accounting, and accounting for government or non-profit organizations. The program also provides a foundation for graduates to pursue additional professional certification, particularly the Certified Public Accountant (CPA) certification.

The BBA in Accounting is accredited by the Association to Advance Collegiate Schools of Business (AACSB International).

## Licensure and/or Certification

Students who complete UAA's Bachelor of Business Administration in Accounting meet the educational requirement to sit for the examination for certified public accountants in the State of Alaska. Additional coursework is required to become a Certified Public Accountant (CPA) in the State of Alaska. Visit the State of Alaska Department of Commerce, Community and Economic Development Board of Public Accountancy's website (<https://www.commerce.alaska.gov/web/cbpl/professionallicensing/boardofpublicaccountancy.aspx>) for the complete list of requirements for licensure in Alaska.

Please go to UAA's Authorization by State ([https://www.uaa.alaska.edu/academics/office-of-academic-affairs/provost\\_office/uaa-state-authorization/authorization.cshtml/](https://www.uaa.alaska.edu/academics/office-of-academic-affairs/provost_office/uaa-state-authorization/authorization.cshtml/)) website for information about licensure or certification in a state other than Alaska. Requirements to become a CPA are unique to each state. Visit the website (<https://nasba.org/stateboards/>) for the National Association of State Boards of Accountancy (NASBA) for more information.

## Program Student Learning Outcomes
