Associate of Applied Science in General Business

This program is delivered through the Anchorage Campus, Kenai Peninsula College, Kodiak College and Matanuska-Susitna College.

The Associate of Applied Science (AAS) in General Business provides students with a general knowledge of entrepreneurship, human resource management, business law concepts, marketing, and financial statement analysis. Students will gain a better understanding of for-profit and not-for-profit businesses, issues of social responsibility, business ethics, and forms of business ownership.
