

Bachelor of Arts in Economics

Program Student Learning Outcomes

Students graduating with a Bachelor of Arts (BA) in Economics will be able to:

- Demonstrate the economic way of thinking and apply it to a wide variety of issues and problems.
- Use economic concepts and analytical skills to address economic problems.
- Demonstrate a basic descriptive knowledge of the U.S. and world economies.
- Understand the role of institutions, especially markets and government, in shaping economic outcomes.
- Obtain and analyze relevant economic data to test hypotheses against evidence.
