

Associate of Applied Science in Paramedical Technology

Sample Plan

The academic plan below is one pathway through the degree/certificate. It includes all requirements, taking into account recommendations from program faculty. Each student's plan may vary according to their initial course placement (<https://catalog.uaa.alaska.edu/academicpoliciesprocesses/academicstandardsregulations/courseplacement/>), intended course load, additional majors and/or minors, and their placement into required prerequisite courses. Any change in the plan below can have an unforeseen impact on the rest of the plan. **Therefore, it is very important to meet with your academic advisor to verify your personal academic plan.**

Please review the following terms, definitions, and resources associated with the sample academic plan below.

- Each course in the far left column links to a pop-up bubble with a course description, prerequisite requirements, and associations with university requirements. For example, if a course fulfills a general education requirement, you will see that in the pop-up bubble.
- **GER:** indicates a General Education Requirement (<https://catalog.uaa.alaska.edu/undergraduateprograms/baccalaureaterequirements/gers/>). GERs that also count toward degree/certificate requirements appear as a specific course in the plan. For these courses, "GER" is not indicated explicitly in the table, but if you click on the course, you will see the course's GER status in the pop-up bubble.
- **Program Elective:** indicates a specific course selection determined by program faculty to fulfill a degree/certificate requirement. Students should seek assistance from their academic advisor.
- **Elective:** indicates an open selection of 100-400 level university courses to fulfill elective credits needed to meet the minimum total credits toward the degree/certificate.
- **Upper Division Program Elective:** indicates a specific 300-400 level course selection determined by the program faculty to fulfill a degree/certificate requirement. Students should seek assistance from their academic advisor.
- **Upper Division Elective:** indicates an open selection of 300-400 level courses to fulfill elective credits needed to meet the minimum total credits toward the degree/certificate. These courses must be upper division in order to meet General University Requirements for the particular degree/certificate type.

First Year

Fall		Credits
EMT A130	Emergency Medical Technician I (if needed) ¹	8

BIOL A111 & A111L	Human Anatomy and Physiology I and Human Anatomy and Physiology I Lab	4
GER Written Communication Skills		3
Credits		15

Spring

BIOL A112 & A112L	Human Anatomy and Physiology II and Human Anatomy and Physiology II Lab	4
GER Oral Communication Skills		3
GER Quantitative Skills (MATH A105)		3
GER Written Communication Skills		3
Credits		13

Second Year

Fall

PMED A241 & A241L	Paramedicine I and Paramedicine I Lab	8
PMED A242	Clinical Rotation I	4
Credits		12

Spring

PMED A253 & A253L	Paramedicine II and Paramedicine II Lab	8
PMED A254	Clinical Rotation II	4
Credits		12

Summer

PMED A263 & A263L	Paramedicine III and Paramedicine III Lab	8
PMED A264	Clinical Rotation III	4
Credits		12

Third Year

Fall

PMED A295	Paramedic Internship	12
Credits		12
Total Credits		76

¹ For students who do not meet the admission requirement of current EMT certification. See the catalog.
