Bachelor of Science in Dental Hygiene

The UAA dental hygiene entry-level program prepares graduates for licensure and employment as dental hygienists.

The UAA dental hygiene program is accredited by the Commission on Dental Accreditation (CODA).

Licensure and/or Certification

Graduates of the Bachelor of Science in Dental Hygiene (BSDH) are eligible to sit for the National Board Dental Hygiene Examination from the Joint Commission on National Dental Examinations and for regional clinical examinations required for state licensure. Graduation from a CODA-accredited dental hygiene program and successful completion of licensure examinations are required to obtain a State of Alaska Dental Hygiene License.

Graduates of the BSDH are eligible to sit for clinical exams given by the Dental Competency Assessment/Western Regional Examining Board (CDCA/WREB) required for licensure.

This program is designed to meet the educational requirements for professional licensure or certification in the State of Alaska. However, the program might not meet the educational requirements for professional licensure or certification in other states. Please see UAA's Licensure and Certification website (https://www.uaa.alaska.edu/academics/office-of-academic-affairs/licensure.cshtml/) for more information.

Admission Requirements

- Complete the Admission Requirements for Baccalaureate Programs (http://catalog.uaa.alaska.edu/academicpoliciesprocesses/ admissions/undergraduate/).
- Complete the following Admission Requirements for the BS in Dental Hygiene:
 - All students will initially be admitted to a pre-major status. Admission to the pre-major status does not guarantee subsequent admission to the major. Admission to the entry-level program is competitive due to limited capacity. As a pre-major, students work with an advisor to assist them in completing pre-major requirements and preparing to apply to the full major. Admission to the BSDH for graduates of an associate degree dental hygiene program for the purpose of bachelor degree completion does not require a competitive admission process.
 - Complete the following courses with a minimum grade of C:

Code	Title	Credits
BIOL A111	Human Anatomy and Physiology I	4
& A111L	and Human Anatomy and	
	Physiology I Lab	

BIOL A112 & A112L	Human Anatomy and Physiology II and Human Anatomy and Physiology II Lab	4
BIOL A240 & A240L	Introductory Microbiology for Health Sciences and Introductory Microbiology for Health Sciences Laboratory	4
COMM GER course		3
CHEM A103 & A103L	Introduction to General Chemistry and Introduction to General Chemistry Laboratory	4
or CHEM A105 & A105L	General Chemistry I and General Chemistry I Laboratory	
CHEM A104 & A104L	Introduction to Organic and Biochemistry and Introduction to Organic and Biochemistry Laboratory	4
PSY A111	Introduction to Psychology	3
or PSY A150	Lifespan Development	
SOC A101	Introduction to Sociology	3
or SOC A201	Social Problems and Solutions	
WRTG GER course		3

- For entry-level admission to the BSDH, submit an application
 according to criteria and deadlines on the program website (https://
 www.uaa.alaska.edu/academics/college-of-health/departments/
 school-of-allied-health/dental-hygiene/). Completion of the program
 admission requirements does not guarantee acceptance into the
 dental hygiene program as a full major.
- Applicants with an associate degree in dental hygiene should meet with an advisor to determine eligibility to petition selected coursework for the major.

Special Considerations

- Prior to beginning pre-clinical and clinical courses, students must provide documentation of the following:
 - · Current health insurance
 - Vaccinations as listed in the program handbook
 - Current Basic Life Support certification for healthcare professionals
 - · State of Alaska background checks
- Students in the entry-level Bachelor of Science in Dental Hygiene
 will be selected in August and will start dental hygiene classes in
 January. Once enrolled in the BSDH, the student can anticipate
 a five-semester, 40-hour-per-week schedule that includes course
 activities outside of normal class times. Evening classes and clinics
 may be scheduled.

Graduation Requirements

• Complete the General University Requirements for Baccalaureate Degrees (http://catalog.uaa.alaska.edu/undergraduateprograms/baccalaureaterequirements/).

- Complete the General Education Requirements for Baccalaureate Degrees (http://catalog.uaa.alaska.edu/undergraduateprograms/baccalaureaterequirements/gers/).
 - For Written Communication Skills GER, WRTG A212 is recommended.
 - Courses required for program admission may satisfy Oral Communication Skills, Social Sciences and Natural Sciences GERs.
 - The statistics major requirement may satisfy the Quantitative Skills GER.
- Complete the following major requirements with a minimum grade of C:
