Associate of Applied Science in Outdoor Leadership

Program Student Learning Outcomes

- Students graduating with an Associate of Applied Science in Outdoor Leadership will be able to:
  - Evaluate their personal readiness for leadership through reflection on the synthesis of their course experience and by communicating leadership behaviours verbally and in writing.
  - Explain the benefits of outdoor recreation for individual and community well-being.
  - Evaluate risks associated with outdoor activities and identify methods to reduce and/or mitigate those risks.
  - Demonstrate proficiency in technical backcountry skills necessary for outdoor recreation professionals in the student’s area of interest.
  - Demonstrate proficiency in event/trip/field excursion planning and hosting.
