

# Bachelor of Science in Health Sciences

## Sample Plan

The academic plan below is one pathway through the degree/certificate. It includes all requirements, taking into account recommendations from program faculty. Each student's plan may vary according to their initial course placement (<http://catalog.uaa.alaska.edu/academicpoliciesprocesses/academicstandardsregulations/courseplacement/>), intended course load, additional majors and/or minors, and their placement into required prerequisite courses. Any change in the plan below can have an unforeseen impact on the rest of the plan. **Therefore, it is very important to meet with your academic advisor to verify your personal academic plan.**

**Please review the following terms, definitions, and resources associated with the sample academic plan below.**

- Each course in the far left column links to a pop-up bubble with a course description, prerequisite requirements, and associations with university requirements. For example, if a course fulfills a general education requirement, you will see that in the pop-up bubble.
- GER:** indicates a General Education Requirement (<http://catalog.uaa.alaska.edu/undergraduateprograms/baccalaureaterequirements/gers/>). GERs that also count toward degree/certificate requirements appear as a specific course in the plan. For these courses, "GER" is not indicated explicitly in the table, but if you click on the course, you will see the course's GER status in the pop-up bubble.
- Program Elective:** indicates a specific course selection determined by program faculty to fulfill a degree/certificate requirement. Students should seek assistance from their academic advisor.
- Elective:** indicates an open selection of 100-400 level university courses to fulfill elective credits needed to meet the minimum total credits toward the degree/certificate.
- Upper Division Program Elective:** indicates a specific 300-400 level course selection determined by the program faculty to fulfill a degree/certificate requirement. Students should seek assistance from their academic advisor.
- Upper Division Elective:** indicates an open selection of 300-400 level courses to fulfill elective credits needed to meet the minimum total credits toward the degree/certificate. These courses must be upper division in order to meet General University Requirements for the particular degree/certificate type.

Course	Title	Credits
<b>First Year</b>		
<b>Fall</b>		
BIOL A111 & A111L	Human Anatomy and Physiology I and Human Anatomy and Physiology I Lab	4
GER Humanities		3

HLTH A151	Breaking Trail on Your Health and Social Services Career	3
STAT A200 or STAT A253	Elementary Statistics or Applied Statistics for the Sciences	3-4
WRTG A111	Writing Across Contexts	3
<b>Credits</b>		<b>16-17</b>
<b>Spring</b>		
BIOL A112 & A112L	Human Anatomy and Physiology II and Human Anatomy and Physiology II Lab	4
COMM A241	Public Speaking	3
GER Fine Arts		3
GER Written Communication Skills		3
HS A210	Introduction to Environmental Health	3
<b>Credits</b>		<b>16</b>
<b>Second Year</b>		
<b>Fall</b>		
AKNS A201	Alaska Native Perspectives	3
HS A220	Introduction to Population Health Sciences	3
CHEM A105	General Chemistry I	3
CHEM A105L	General Chemistry I Laboratory	1
HS A230	Introduction to Global Health	3
PSY A150	Lifespan Development	3
<b>Credits</b>		<b>16</b>
<b>Spring</b>		
BIOL A108	Principles and Methods in Biology	6
DN A203	Nutrition for Health Sciences	3
