

Occupational Endorsement Certificate in Gerontology

Program Student Learning Outcomes

Students graduating with an Occupational Endorsement Certificate in Gerontology will be able to:

- Identify the main behavioral, social, and environmental factors that influence age-related outcomes of the aging population and the individual older adult.
- Critique and analyze assumptions, stereotypes, prejudice, and discrimination related to age (ageism) at both personal and public levels.
- Describe current strategies for disease prevention, including the key components of person-centered care and end-of-life care models, to generate contextually accurate recommendations for health promotion of older adults.
