

# Automotive and Diesel Power

---

---

## *Transportation and Power*

*Auto Diesel Technology Building (ADT), Room 207, (907) 786-6475*

## **Programs of Study**

### **Occupational Endorsement Certificates**

- OEC in Automotive Engine Performance (<http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/autoanddieselpower/oec-automotiveengineperformance/>)
- OEC in Automotive Specialist (<http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/autoanddieselpower/oec-automotivespecialist/>)

### **Undergraduate Certificates**

- Certificate in Automotive Technology (<http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/autoanddieselpower/certificate-automotivetechology/>)
- Certificate in Diesel Power Technology (<http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/autoanddieselpower/certificate-dieselpowertechology/>)

### **Associates of Applied Science**

- AAS in Automotive Technology (<http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/autoanddieselpower/aas-automotivetechology/>)
- AAS in Diesel Power Technology (<http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/autoanddieselpower/aas-dieselpowertechology/>)
