

Occupational Endorsement Certificate in Automotive Engine Performance

Program Student Learning Outcomes

Students graduating with an Occupational Endorsement Certificate in Automotive Engine Performance will be able to:

- Demonstrate technical knowledge and critical thinking necessary for success in the automotive maintenance and repair industry.
- Demonstrate proficiency in performing electrical and engine performance diagnostic tasks in a professional setting.
- Demonstrate effective employability skills, including oral and written communication skills, as required by accreditation standards of the ASE Education Foundation.
- Demonstrate academic proficiency necessary to pass national examinations in the electrical and engine performance areas.
