The Computer Systems Technology program is offered only through Matanuska-Susitna College.

An Associate of Applied Science in Computer Systems Technology (CST) provides education in the field of network and systems administration. This program encompasses vendor-neutral and theoretical concepts and practices; it also includes both Windows Server operating systems and Cisco routing and switching technology. Five or more full-time semesters are required to complete the degree program.

The CST degree offers students business, communication, teamwork, and technical skills, and IT concepts needed to enter the workforce as entry-level technicians or administrators. It also provides a foundation for advanced studies in technology.

Program of Study

Associate of Applied Science

• AAS in Computer Systems Technology (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/computersystemstechnology/aas-computersystemstechnology)

Faculty

Harry Banks, Instructor, hlbanks@alaska.edu
Alan Fugleberg, Program Coordinator, afugleberg@alaska.edu
