

Occupational Endorsement Certificate in Construction Skills

RE A210	Cold Climate Construction	3
UNIV A190	Selected Topics in University Studies	1-3
Total		16-18

A minimum of 16 credits is required for this certificate

This program is delivered only through Prince William Sound College.

The Occupational Endorsement Certificate (OEC) in Construction Skills prepares students to perform building and facility maintenance and repair.

Licensure and/or Certification

This license has no associated skills test. This OEC prepares students to complete work as described under AS 08.18.101, which sets insurance and bonding requirements necessary to act as a "General Contractor - Handyman."

Please go to UAA's Authorization by State (https://www.uaa.alaska.edu/academics/office-of-academic-affairs/provost_office/uaa-state-authorization/authorization.cshtml/) website for information about licensure or certification in a state other than Alaska.
