The Bachelor of Science in Applied Technologies Leadership (BSATL) is a degree completion program for students who have earned an Associate of Applied Science (or a minimum of 45 related technical credits) from a regionally accredited institution and wish to pursue a baccalaureate degree. The BSATL offers a career pathway for technicians and professionals preparing for leadership positions. Students complete a common core of advanced technical and management courses, and they work with a faculty advisor to choose technical, quantitative and natural science courses that prepare them to advance in their fields.

Technology Career Specialty Programs

Kodiak College
117 Benny Benson Drive, Kodiak, AK 99615, (907) 486-4161 or (800) 486-7660
www.koc.alaska.edu (http://www.koc.alaska.edu)

The technology undergraduate certificate and Associate of Applied Science (AAS) are offered through Kodiak College. Advising for this program is only available at Kodiak College. Please contact Lorraine Stewart, coordinator, at (907) 486-1209 or lestewart@kodiak.alaska.edu.

The technology career specialty undergraduate certificate program provides entry-level skills in the specialized field of welding.
