

Post-Baccalaureate Certificate in Early Childhood Education Pre-K - Third Grade

Program Student Learning Outcomes

Students graduating with a Post-Baccalaureate Certificate in Early Childhood Education Pre-K - Third Grade will be able to:

- Create a healthy, respectful, supportive, and challenging learning environment based on knowledge of child development and learning to meet diverse children's needs.
- Create respectful, culturally responsive relationships that support and empower families, and involve all families in their children's development and learning.
- Use systematic observations, documentation, and other effective assessment strategies in a responsible way, in partnership with families and other professionals, to positively influence children's development and learning.
- Design effective approaches to teaching and learning, implement and evaluate experiences that promote positive development and learning for all children.
- Incorporate knowledge of content areas to create appropriate experiences for young children.
- Use ethical guidelines and other professional standards related to early childhood practice.
- Demonstrate knowledgeable, reflective, and critical perspectives on professional practice, making informed decisions that integrate knowledge from a variety of sources.
