

Undergraduate Programs

To meet Alaska's higher education needs and to serve all Alaskans, from first-time college students to working professionals, UAA's undergraduate programs range from short-term certificates to traditional two-year and four-year degrees. UAA's academic programs are designed to assist students in achieving their goals, including developing the skills and understanding necessary to succeed in future employment, to perform responsibly and ethically as a leader, and to serve as a contributing member of society.

Occupational Endorsement and Undergraduate Certificates

The university offers two types of certificates at the undergraduate level:

- Occupational endorsement certificates (OECs) are certificates requiring 29 or fewer credits to complete. These certificates provide the specialized knowledge and skills needed in specific employment sectors.
- Undergraduate certificates of 30-60 credits offer focused instruction in a concentrated area. These certificates provide knowledge and skill development in broad enough areas to prepare students for entry into a variety of career fields. They are particularly appropriate in scientific or technical areas such as health care, computer systems, transportation or industrial technology.

General University Requirements for Undergraduate Certificates (<http://catalog.uaa.alaska.edu/undergraduateprograms/certificaterequirements/>)

Associate Degrees

UAA offers three types of associate degrees, all of which require the completion of a minimum of 60 credits:

- Associate of Arts (AA) degrees combine broad studies in written communication, oral communication, humanities, mathematics, natural sciences and social sciences, with elective coursework selected by the student. The degree provides broad exposure to systems of thought and inquiry, allows exploration of a variety of disciplines and learning experiences, and provides a solid foundation for further study at the baccalaureate level.
- The Associate of Science (AS) degree combines broad studies in written communication, oral communication, humanities, mathematics, natural sciences and social sciences, with elective coursework particularly in the areas of natural sciences, social sciences, and health-related fields. The AS provides a solid foundation for further study at the baccalaureate level, with advising pathways into social science, natural science, health, and behavioral health degrees.
- Associate of Applied Science (AAS) degrees provide applied or specialized studies that are used to satisfy a student's specific

educational needs. Many AAS programs prepare students for work in a particular field of employment. Some AAS programs are designed to provide a foundation for a specific related baccalaureate degree. Students in AAS programs build knowledge and skills needed to carry out specific tasks while they develop abilities in the essential elements of communications, computation and human relations.

General University Requirements for Associate Degrees (<http://catalog.uaa.alaska.edu/undergraduateprograms/aasrequirements/>)

Baccalaureate Degrees

Baccalaureate, or bachelor's, degrees consist of a minimum of 120 credits and comprise three interrelated parts:

- *General Education Requirements*, which provide students a broad overview of the liberal arts and sciences and create the foundation for further study in the major or program, lifelong learning and workplace preparedness. GERs are best taken early in a student's academic career.
- *Major Requirements*, which afford students intensive study in a specialized subject, program or professional area. The major prepares a student for employment and/or graduate-level course work.
- *Elective Credits*, which are the body of work to complete the 120 credits. These credits may be limited, as in the case of many professional programs, or open for the student's choice, allowing for students to investigate other areas of interest. Students may choose to declare a Minor (generally 18-24 credits from within the Elective credits) to pursue an additional area of study or qualification. A well-selected minor can strongly complement a student's major area of study.

UAA offers a number of Baccalaureate degrees, depending upon the field of study. The two primary types are as follows:

1. Bachelor of Arts (BA) degrees generally require additional course work in the liberal arts, humanities, and social sciences and offer greater flexibility in elective credits, with a focus upon broad-based achievement in preparation for graduate school, the corporate or business worlds, or education.
2. Bachelor of Science (BS) degrees generally require additional course work in math and the natural sciences (with labs), with a focus upon discipline-specific technical classes pertaining to particular professions or preparation for advanced study.

If a program offers both a BS and a BA degree, the programs need to be distinct by a minimum of 12 credits.

UAA also offers the Bachelor of Business Administration (BBA), the Bachelor of Fine Arts (BFA), the Bachelor of Human Services (BHS), the Bachelor of Music (BM), and the Bachelor of Social Work (BSW).

General University Requirements for Baccalaureate Degrees (<http://catalog.uaa.alaska.edu/undergraduateprograms/baccalaureaterequirements/>)

Post-Baccalaureate Certificates

Post-baccalaureate certificates present a cohesive sequence of related courses designed to provide continuing education past the baccalaureate level. Upon completion of a post-baccalaureate certificate, students will have acquired an area of specialization or an interdisciplinary perspective, or will have completed requirements for professional certifications awarded by agencies outside the university. Post-baccalaureate certificates are designed with a majority of undergraduate coursework.

General University Requirements for Post-Baccalaureate Certificates (<http://catalog.uaa.alaska.edu/undergraduateprograms/postbaccalaureaterequirements/>)

Minors

A minor is a component of a baccalaureate degree. A minor may only be issued simultaneously with a baccalaureate degree. A minor from UAA consists of a minimum of 18 credits, at least 6 of which must be upper division. Students must earn at least 3 credits in residence in each minor field. They must also earn a UAA cumulative grade point average (GPA) of at least 2.00 (C) in the minor. Students must follow minor requirements from the same catalog used for the baccalaureate program. Refer to each discipline for specific requirements. Students must declare minors no later than the deadline to submit an Application for Graduation.

Accelerated Pathways to Master's Degrees: Bachelor degrees with an "*" below offer an accelerated pathway where students may count a set number of credits toward both the UAA baccalaureate and master's degree. Go to the relevant Master's degree program page for more information.

Minors: Minors must be earned along with a baccalaureate degree.

Major	Degree/ Certificate	College
Bridge to College and Careers	N/A	CTC
Bridge to Independence through Career Readiness	N/A	COH
Leadership Education in Neurodevelopmental Disabilities (LEND)	N/A	COH

College Key

Code	Description
CAS	College of Arts and Sciences
CBPP	College of Business and Public Policy
SOE	School of Education
COEng	College of Engineering
COH	College of Health
CTC	Community and Technical College
HC	University Honors College

Program Key

Code	Description
OEC	Occupational Endorsement Certificate
UC	Undergraduate Certificate
AA	Associate of Arts
AAS	Associate of Applied Science
AS	Associate of Science
BA	Bachelor of Arts
BBA	Bachelor of Business Administration
BFA	Bachelor of Fine Arts
BHS	Bachelor of Human Services

BM	Bachelor of Music
BS	Bachelor of Science
BSW	Bachelor of Social Work
Minor	Minor
PBCT	Post-Baccalaureate Certificate

Programs Delivered at the Anchorage Campus

Bridge to Independence through Career Readiness	N/A	COH
Leadership Education in Neurodevelopmental Disabilities (LEND)	N/A	COH

Programs Delivered at Kenai Peninsula College

Occupational Endorsement Certificates

Major	Degree/ Certificate	College
Ahtna Language (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/oec-ahtnalanguage/)	OEC	CAS
Conservation Ecology (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/oec-conservationecology/)	OEC	CAS
Corrections (http://catalog.uaa.alaska.edu/undergraduateprograms/coh/oec-corrections/)	OEC	COH
Dena'ina Language (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/oec-denainalanguage/)	OEC	CAS

Marine Mammal Biology (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/oec-marinemammalbiology/)	OEC	CAS
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----	-----

Petroleum Production (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/oec-petroleumproduction/)	OEC	CTC
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----	-----

Valve Repair and Maintenance (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/oec-valverepairmaintenance/)	OEC	CTC
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----	-----

Undergraduate Certificates

Major	Degree/ Certificate	College
-------	------------------------	---------

Ahtna Language Instruction (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/certificate-ahtnalanguageinstruction/)	UC	CAS
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----	-----

Corrections (http://catalog.uaa.alaska.edu/undergraduateprograms/coh/certificate-corrections/)	UC	COH
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----	-----

Dena'ina Language Instruction (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/certificate-denainalanguageinstruction/)	UC	CAS
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----	-----

Petroleum Technology (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/certificate-petroleumtechnology/)	UC	CTC
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----	-----

Welding Technology (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/certificate-weldingtechnology/)	UC	CTC
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----	-----

Associates of Applied Science

Major	Degree/ Certificate	College
-------	------------------------	---------

General Business (http://catalog.uaa.alaska.edu/undergraduateprograms/cbpp/aas-generalbusiness/)	AAS	CBPP
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----	------

Industrial Process Instrumentation (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/aas-industrialprocessinstrumentation/)	AAS	CTC
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----	-----

Occupational Safety and Health (suspended) (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/aas-occupationsafetyhealth/)	AAS	CTC

Process Technology (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/aas-processtechnology/)	AAS	CTC
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----	-----

Technology (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/aas-technology/)	AAS	CTC
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----	-----

Associates of Arts

Major	Degree/ Certificate	College
-------	------------------------	---------

Alaska Native Studies (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/aa-alaskanativestudies/)	AA	CAS
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----	-----

Associate of Arts (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/aa/)	AA	CAS
-------------------------------------------------------------------------------------------------------------------------------------------------------------	----	-----

Associate of Science

Major	Degree/ Certificate	College
-------	------------------------	---------

Associate of Science (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/as/)	AS	CAS
----------------------------------------------------------------------------------------------------------------------------------------------------------------	----	-----

Programs Delivered at Kodiak College

Occupational Endorsement Certificate

Major	Degree/ Certificate	College
-------	------------------------	---------

Alutiiq Language (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/oec-alutiiqlanguage/)	OEC	CAS
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----	-----

Undergraduate Certificate

Major	Degree/ Certificate	College
-------	------------------------	---------

Welding (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/certificate-welding/)	UC	CTC
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----	-----

Associates of Applied Science

Major	Degree/ Certificate	College
Accounting (http://catalog.uaa.alaska.edu/undergraduateprograms/cbpp/aas-accounting/)	AAS	CBPP
General Business (http://catalog.uaa.alaska.edu/undergraduateprograms/cbpp/aas-generalbusiness/)	AAS	CBPP
Technology (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/aas-technology/)	AAS	CTC

Associates of Arts

Major	Degree/ Certificate	College
Alaska Native Studies (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/aa-alaskanativestudies/)	AA	CAS
Associate of Arts (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/aa/)	AA	CAS

Associate of Science

Major	Degree/ Certificate	College
Associate of Science (http://catalog.uaa.alaska.edu/undergraduateprograms/cas/as/)	AS	CAS

Programs Delivered at Matanuska-Susitna College

Occupational Endorsement Certificates

Major	Degree/ Certificate	College
Cisco-Certified Network Associate (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/oec-ciscocertifiednetworkassociate/)	OEC	CTC
Commercial Refrigeration Systems (suspended) (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/oec-commercialrefrigerationsystems/)	OEC	CTC
Refrigeration & Heating (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/oec-refrigerationheating/)	OEC	CTC

Residential and Light Commercial Heating and Ventilation (suspended) (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/oec-residentiallightcommercialheatingventilation/)	OEC	CTC
Veterinary Assisting (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/oec-veterinaryassisting/)	OEC	CTC

Undergraduate Certificate

Major	Degree/ Certificate	College
Refrigeration and Heating Technology (suspended) (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/certificate-refrigerationheatingtechnology/)	UC	CTC

Associates of Applied Science

Major	Degree/ Certificate	College
Accounting (http://catalog.uaa.alaska.edu/undergraduateprograms/cbpp/aas-accounting/)	AAS	CBPP
Computer Systems and Network Technology (http://catalog.uaa.alaska.edu/undergraduateprograms/ctc/aas-computersystemsandnetworktechnology/)	AAS	CTC
